EXCITEMENT IN ST. PAUL SHARES A RESTAURANT. SOAR ON 'CHANCE

House Caused by an Employee.

restaurant, in Fulton street, opposite sharply reflected at the opening on the the City Hall, in Brooklyn, to-day by lo al Stock Exchange, and the opening the wild screams of a man. Two women prices displayed substantial gains ove fainted, waitresses dropped dishes and Saturday's final quotations. Exception

Several persons were thrown to the a tailor shop when she revived and could not understand how she got there. It was during the luncheon hour and are two floors occupied by the restaurant company, the second being reserved for ladies. Just before 1 o'clock. when the rooms were crowded to their full capacity, a series of startling premacy, scoring advances of 11-2, 1 screams caused people to drop their and 2 points respectively. Louisville & knives and forks and look up in terror. A mysterious voice, filled with anguish, cried: "Quick! Quick! Clear!" In an instant all were on their feet Some thought it was a fire. Others be lieved the electric plant was about to do something and still others though the coffee boiler had exploded. But the

the coffee boiler had exploded. But the yells were renewed more vigorously than before. The people at he tables dashed for the doors, 'The wait esses threw down their burdens of hot stews, ham sandwiches, coffee and iced tea.

Women yelled in terror and men fought right and left, thinking only of sought right and left, thinking only of escape. Only one in the entire place kept her head and stood by her post. Miss Addle Cocaran, the handsome blonde cashier, remained at her desk with both hands or the money hox.

When quiet was finally restored an investigation was made. It was found that all the disturbance was caused by a husky roustabout and disnwasher, who had stuck his head in the dumb-

who had stuck his head in the dumb waiter to hear what was going on in the hitchen. whiter to the description of the description of the was about to be descripted he yelled, "Quick, quick. Clear, clear," meaning that the fifth assistant cook below should herry and clear him free from the boisting apparatus.

The roustabout was not herr, but broken dishes and food were strewn over the two floors of the restaurant like shells on the seashare.

Father Protests In Court When Young Burres Is Discharged.

BUEZ, June 17.—The United States cruiser Newark, which left Munila about May 3 homeward bound, has arrived here. Theodore Burries, son of Joseph El-Mew York, who lives at No. 18 Macon

street, Brooklyn, appeared before Magistrate Connorton, in Long Island City, to-day to answer a charge of vagrancy preferred by his tather. The boy took the stand and said that he was twentytwo years old and capable of taking care of himself. He ws discharged. His father was in court and became angry at the decision of the Magistrate, saying that he would immediately have this son arrested on another charge. Young Burries, upon getting his liberty, ran from the court room., jumped into a carriage and was driven rapidly away, The father says he is trying to check
